

## Centre Parcs, Suffolk

**Main Contractor:** Clegg Construction Ltd

**Architects:** Church Lukas

**Contract Period:** 9 weeks

**Contract Value:**

**Package Value:** £315,000

### THE PROJECT

Following a fire breaking out at the complex, we were commissioned to carry out 10,000m<sup>2</sup> of sand and cement screeds on behalf of Clegg Construction Ltd who were the management contractor on the project.

Having previously worked with key members of the project team, they chose us to ensure our expertise could help re-open the facility as soon as possible, with minimum inconvenience to guests and staff.
